### Anointing Mass

Please join us for the anointing of the sick at the 4:30 Mass on October 17. This sacrament is intended to impart spiritual strength to people who are suffering from serious illness and has been known to even bring physical healing, if God so wills. God is ever close to us, including in the midst of our suffering. Anointing is an important way that God expresses his love and constant care.

### Blessing of Medical Professionals

At the masses on October 17/18 there will be a blessing of the parish's medical professionals, October 18 being the feast of St. Luke, the patron of the medical profession. We hope our nurses, EMT's, technicians and others will attend.

**Answer:** *John the Baptist*

### Council Corners

The Parish Council met on Monday, September 28. The guest speaker was Terrie Baldwin from the Office of Evangelization at the diocese. She reviewed two programs available to parishes for consideration. Committee reports were given, and Fr. Dan reported on John Paul II Academy regarding enrollment and future plans. Council appreciates reports on the status of the school which is an important part of our parish. The Liturgy Commission will resume their talks at masses. Stewardship reported on the upcoming Ministry Fair. Council continues to review the need for outreach to our community in some type of service projects. The Stewardship committee is looking for areas where we can serve. As always, check the bulletin and the parish web site to keep abreast of what is happening. Very shortly, we will have our first newsletter out. This project took off thanks to several parishioners who responded to the notice in the bulletin. There are many prayerful opportunities in the month of October for us to spend time with the Lord. Remember to share your "view from the pew" with council members. Another great way to do this is by attending the upcoming "Look to the Future" program on October 24.

### Weekend Drawing

The weekend drawings have begun. The first winner will be printed in next weekend's bulletin. Tickets are still available for purchase at the rectory.

If you have any religious items that have come to you but you don't really have a need, if someone you know is downsizing or has passed, or if you have things that are too much for you and too good to throw away, bring your usable "stuff" to the church hall when you come to Mass next weekend. Come down after Mass and maybe you'll see something you or someone you know can use.

### World Mission Sunday

World Mission Sunday will be celebrated on October 18 this year. This celebration affords our parish family the opportunity to "connect" with our world on mission, with those making the difference for the poor and marginalized half a world away. Your prayers and generous support offered to the Society for the Propagation of the Faith on World Mission Sunday directly benefit the mission—and help deepen your relationship with Jesus by helping so many missionaries around the world.

**Welcome to the St. Therese Cub Scouts, who are attending the 10:30 Mass this weekend. All are welcome to join them for coffee & donuts after Mass in the hall.**

### Priesthood Sunday

Catholics across the country will be celebrating Priesthood Sunday on October 25. It is a day set aside to celebrate the importance of the gift of priesthood in the life of the Church. Consider sharing a personal note or card of thanks.

**The more we get to know about a person, the better we are able to understand them. This weekend we will be collecting a bit of that information. Each adult in the congregation is being asked to fill out a card with their name and nationality. We are hoping to use that information in our planning. Please fill out the card at the end of the pew and place the card in the collection basket. If you are not able to be at the church this weekend, please call the rectory at 216-581-2852 and give that information to the kind person who answers the phone. ### From Fr. Dan:

It is our good fortune that Catholic Renewal Ministries will be coming to our parish on Friday, October 23, to help us appreciate the power of the Holy Spirit at work in our lives. In our diocese this is the umbrella organization for the officially recognized Catholic charismatic prayer groups in the parishes. The charismatic movement in the Church embraces a spirituality that invites the Holy Spirit to work through God's people as we strive to bring Jesus Christ to others. Through an outpouring of grace, charismatics are moved to use their charisms or spiritual gifts, be they contemplative prayer, praying in tongues, spiritual leadership, the discernment of spirits, healing prayer, prophecy, or other gifts of the Holy Spirit. Every Christian has been blessed with charisms, though sometimes we aren't aware of what they are, perhaps because we haven't asked God to help us understand. Recall how the Holy Spirit filled the disciples on that first Pentecost, inspiring them to proclaim in tongues the praises of God. In the aftermath of Pentecost, these men and women began proclaiming the risen Christ. God gives us charisms so we can do the same.

Catholic Renewal Ministries goes from parish to parish, holding healing services and celebrating charismatic masses. At 7 p.m. on October 23 we will begin with a period of praise and worship, in which CRM will lead us in song. Fr. Bob Franco, who is the coordinator of CRM, will preside at the charismatic Mass, which starts at 7:30. At the end of the Mass healing teams will spread out in church, to pray over all who seek healing for suffering of any sort. I strongly encourage you to join us for this experience of the Spirit, to "get into the Spirit," so to speak! Some folks at Mass might raise their hands and praise God out loud, while one person or another might be moved to speak in tongues. Though you might not be familiar with such prayer, it has always been a part of the Christian way and is beautiful. Please join us! You have nothing to lose and so much to gain!
